Southern New Hampshire University

ATH 101 Final Project Part B Interview Videos

Each video below shows the reporter asking you, the anthropologist, a question about a particular crisis situation. Click on each link to view the question. Use these videos to help you with Final Project Part B Milestone Two and your Final Project Part B submission.

Keep in mind that you do not need to use the audio or video from these resources in your response. These have been provided only as a reference to give you a sense of the reporter's tone. This should be helpful even for students who choose to submit a written response.
