

Module 8-2 Short Paper Rubric

Overview: For this task, you will analyze the effect on a call option's price that results from various financial factors.

Prompt:

First, review the module resources, especially Chapter 8 in your text. Then, address the following questions:

- What effect does Stock Price have on a call option price?
- What effect does Time expiration have on a call option price?
- What effect does Risk-free rate have on a call option price?
- What effect does Standard Deviation of Stock returns have on a call option price?

Refer to your textbook and other course materials to support your responses. Include at least one scholarly resource as a reference, excluding your textbook.
