

### SOC 112 Module Eight Worksheet Guidelines and Rubric

Over the course of the term, you have been developing your sociological lens, which is a way to see and understand the social world in new and different ways. You have examined the significance of culture, the formation of the self, several types of social inequalities, the influence that social institutions have on our lives, the power of group cohesion and deviance, and the constancy of social change.

For this assignment, read the article titled [Asking Sociological Questions](#) and reflect on the course material by answering the following questions, which are included in the Module Eight [Worksheet](#). Your worksheet will be graded using the rubric below, which corresponds directly with the four questions listed below.

1. Describe how you can use your newly developed sociological perspective in your everyday life.
2. What aspects of sociology can be helpful to you in your personal life?
3. What aspects of sociology can be helpful to you in your professional life?
4. How can a deeper understanding of human interaction be helpful in the real world?

**Guidelines for Submission:** This assignment will be completed using the [worksheet](#) provided. All citations should be completed using APA format.
